

Pet Care: Plan Ahead

Pet Alert signs let emergency responders know a dog, cat, or any pet is in the home. By letting emergency personnel know there is an animal on the premises, you will help protect BOTH the pet and the responder, especially if the pet is a dog who is an eager protector.

If an elderly person needed emergency assistance, how could they let emergency personnel know they have a pet in their home?

USING A BijouSPEAKS SIGN WILL ALERT THEM.
